

Colour Your Brain

A colouring/drawing competition organised by the British Neuroscience Association (BNA) and Sussex Neuroscience

Fill the brain with colour. Be inspired by how the brain works or just use your imagination!

Entries must be received by Tuesday 18th April at the Jubilee Library, by email byob@bna.org.uk, or at a school collection point (schools participating in Building Brains project only)

Name of child: _____ age 4-7 age 8-11 age 12-14 age 15-17

Parent contact address (email/phone number): _____

Names and contact info will be kept for the purposes of the competition only (not displayed) and entering means you are happy for your picture to be displayed both at the Brighton Centre (23rd-26th April) and be reproduced on BNA and/or Sussex Neuroscience websites, publications and any other digital or print media.

Parental permission: _____ (signature)

Entries in each category will be submitted to a prize draw (£20 book token). A separate prize (£20) for the neuroscientist's favourite (voted for by delegates of the BNA conference). Winners will be announced and contacted on the 27th April.
